

WINNER FOR BUTCHER SHOP

Tim Didier Meats goes above and beyond

You could say that Tim and Janet Didier offer a product a “cut” above the rest! Their business, Tim Didier Meats, Inc., was recently voted Best Butcher Shop in the Readers’ Choice competition. This is not a surprise to their many satisfied customers.

Tim and Janet both agree: “Customers are our most important product.” Customer service lies at the heart of their business. “We value customer loyalty,” says Janet.

“We do everything in our power to give our customers the best quality meat and prompt, friendly service. We are always willing to go the extra mile for our customers. We’ve had the same loyal customers and vendors for years, and are so grateful to them,” says Janet.
